### **Reviewer**

Psychological Medicine (1), NeuroImage: Clinical (1), Neuropsychologia (1), Cerebral Cortex (1)

### **Awards**

- **The Combined PhD/Clinical Master's Thesis Prize.** (2022). *For the most outstanding PhD thesis by a student in Course 1404 (combined PhD/Clinical Master's degree).*  
The University of New South Wales.

## Clinical

### Registration

#### **Australian Health Practitioners Regulation Agency**

Psychologist (General Registration)      Reg: PSY0002170682      Valid: 30 Nov 2023

*Endorsement: Clinical Psychology*

#### **Health Care Professions Council (UK)**

Practising Psychologist      Reg: PYL043471      Valid: 31 May 2025

*Modality: Clinical Psychologist*

### Work History

#### **Great Ormond Street Hospital for Children (London)**

##### Senior Clinical Psychologist

Clinical Psychologist

#### ***The Tic Service***

*Sep 2024 - Current*

*Jan 2024 – Sep 2024*

- Work within this multidisciplinary Tier 4 referral service to support comprehensive assessments of children presenting with tic disorders, including Tourette syndrome, and develop treatment plans based on individual needs.
- Deliver evidence-based psychotherapeutic treatment to children and adolescents with tic disorders, and related conditions, including both individual and group programs.
- Provide specialist consultation to other professionals involved in young people's care, including teachers, Special Education Needs Coordinators (SENCOs) and clinicians at local Child and Adolescent Mental Health Services (CAMHS).
- Work closely with other members of the team to coordinate comprehensive care for patients with tic disorders, ensuring alignment of psychological interventions and other aspects of the treatment approach.
- Contribute to the development and delivery of professional training to educational and clinical services, focused on the assessment and treatment of tic disorders.

- Deliver manualised treatment to address symptoms of post-traumatic stress disorder (PTSD) and comorbid mood disorders under the supervision of renowned expert, Scientia Professor Richard Bryant.
- This included treatment of PTSD in first-responders (e.g., police, firefighters and paramedics), as well as civilian populations.
- Administer standardised clinical assessments, including the Clinician-Administered PTSD Scale for DSM-5 (CAPS-5) and the Structured Clinical Interview for DSM-5 (SCID-5).
- Contribute to activities associated with clinical trials, including participant recruitment and consenting, as well as data collection and management procedures.

### **Clinical Placements**

**South-Western Sydney LHD *Rivendell Child, Adolescent and Family Mental Health Unit***  
Provisional Psychologist      *Jan 2021 – Jun 2021*

- Work within this multidisciplinary tertiary referral service to diagnose and provide high-quality treatment to children and adolescents with a range of psychological difficulties, including social and generalised anxiety disorders, externalising behaviours, and autism.
- Conduct assessment interviews to explore relevant symptomatology and support diagnosis of psychological disorders, including mood, autism spectrum and obsessive-compulsive disorders.
- Develop and maintain case formulations to support targeted treatment based on the needs of individual patients, with particular focus on the role of family systems.
- Provide individual and group therapy, primarily based on Cognitive Behavioural Therapy, Dialectical Behavioural Therapy, and Acceptance and Commitment Therapy.

**St Vincent's Hospital (Sydney)**  
Provisional Psychologist

***Clinical Research Unit for Anxiety and Depression***  
*Jul 2020 – Dec 2020*

- Support the work of this tertiary referral service by providing high-quality treatment to people experiencing generalised and social anxiety, obsessive-compulsive and related disorders.
- Develop and maintain case formulations to support targeted treatment based on the needs of individual patients.
- Provide individual treatment, primarily based on Cognitive Behavioural Therapy, and Acceptance and Commitment Therapy.

**The University of New South Wales**  
Provisional Psychologist

***UNSW Psychology Clinic***  
*May 2019 – Jul 2020*

- Conduct assessment interviews to explore relevant symptomology and support diagnosis of psychological disorders.
- Deliver psychological therapy to children, families, and adults with a range of presentations, including major depressive, generalised anxiety and social anxiety disorders.
- Develop and maintain detailed case formulations to support targeted treatment based on the needs of individual clients.
- Primary psychotherapeutic modalities included Cognitive Behavioural Therapy, Dialectical Behavioural Therapy, Acceptance and Commitment Therapy and Schema Therapy.
- Administer and report on comprehensive neuropsychological assessments to support differential diagnoses, based on a wide range of psychometric instruments.

### **Professional Memberships**

2018 – 2023	<i>Australian Psychological Society (APS)</i>
2018 – 2023	<i>Australian Clinical Psychology Association (ACPA)</i>
2020 – 2023	<i>Anxiety Practitioners Network (APN)</i>
2021 – 2023	<i>Australian Association for Cognitive Behavioural Therapy (AACBT)</i>
2022 – 2023	<i>Australian Cognitive Neuroscience Society (ACNS)</i>

## Volunteer Service

**The Australian Clinical Psychology Association**  
Committee Member (Student/Early Career Representative)

*NSW State Committee*  
*Aug 2019 – Aug 2022*

## **Lifeline**

Telephone Crisis Supporter

*Lifeline Canberra*  
*Jan 2015 – Mar 2018*

## Teaching

### *Casual Academic / Tutor*

UNSW	PSYC2101 Assessment, Personality and Psychopathology	2021 (T3)
	PSYC2071 Perception and Cognition	2021 (T3)
		2020 (T3)
		2019 (T3)
		2018 (S2)
	PSYC2001 Research Methods 2	2021 (T1)
		2020 (T1)
		2019 (S1)

## Software

R Statistical Software	Psychtoolbox-3	Inkscape
BrainVision Analyzer	Python	Inquisit
MATLAB	SPSS Statistics	Audacity

## Employment History

### Research

**Faculty of Medicine and Health, University of Sydney**  
Research Assistant

*Addition Medicine*  
*Jul 2020 – Feb 2021*

**Public Policy**

**Foundation for Alcohol Research and Education**  
Senior Policy Officer

***Research and Analysis***  
*Feb 2016 – Feb 2018*

**Health Directorate, ACT Government**  
Data Manager

***Epidemiology Section***  
*Aug 2015 – Feb 2016*

**Department of Industry, Australian Cth.**  
Research Officer

***Office of the Chief Economist***  
*July 2013 – Aug 2015*

**Department of Industry, Australian Cth.**  
Analyst

***Higher Education Division***  
*Aug 2012 – Jul 2013*

**Department of Industry, Australian Cth.**  
L&D Officer

***AusIndustry***  
*Jan 2012 – Aug 2012*
